

STATION STORIES

During these unprecedented times we know more than ever it is so important to stay connected. We wanted to ask you, the people of the wonderful communities on our lines, to contribute to a collective piece of work which will bring us all together.

We are wanting stories, poems, artwork and any old random facts, that are close to your hearts.

There are no rules (except keep it clean) and these are the things we want to know about:

- Interesting local stories/facts, funny, sad, historical or ghostly
 - Living through a pandemic – what are your daily doings?
- Your favourite local places to visit - Could be a tea shop, a charity shop or tourist attraction
 - Local walks near you
 - Musings of the mind
- Community Heroes – Who has stepped up and helped?

All the above needs to be linked to the railway or your local community.

If you choose to do some artwork, please write a couple of sentences to tell us about what it means.

When you have finished please email **stationadoption@eastmidlandsrailway.co.uk** - if you are doing artwork take a photo and send it, we can collect the finished piece when isolation is over if you'd like it to go up at your local station*

Any work sent in could be used on social media, in print or at stations so please include your name and location so we can credit the work to you.

Important:

- Closing date is **31st May 2020**
- All of the above is to be done in the comfort of your own home – you must adhere to the strict government guidelines that have been set #stayhomestaysafe
